3. Receiving Your Order

Carefully check your order against the Sun Scientific packing list immediately upon receipt. Damages noted upon receipt of the order should be documented on the freight carrier receipt and reported to Sun Scientific. Shortages of product should be reported immediately to Sun Scientific. We will work with you to replace or give credit for any damaged merchandise or shortages.

4. Warranty

Sun Scientific's products will perform according to and under the stated application and use procedures and is warranted to be free of defects in materials and workmanship for a time period depending on the specific product ordered.. The warranty is only valid if the instructions for care are properly followed; and never covers normal wear and tear, abnormal care and use, or where it can be shown the application instructions have not been followed correctly.

5. Return Policy

Please request a return authorization number from a Sun Scientific Customer Service Representative prior to returning merchandise. No returns are allowed if the product has been used except for defective products. If the returned merchandise is determined to be defective, Sun Scientific will at its discretion repair or replace the merchandise.

6. Collection

Any invoice that remains unpaid beyond the due date of the invoice will be subject to a charge of 1% per month or any portion thereof as long as the invoice remains unpaid. Interest will accrue from the date of the invoice. Any past due invoice may be subject to collection proceedings.

7. Reimbursement Information and HCPCS Codes

The reimbursement information and HCPCS codes provided by Sun Scientific is intended to provide general information relevant to coding and reimbursement of products only. Coverage and payment policies for the same insurer can vary from one region to another and may change from time to time because of ongoing changes in government and insurance industry rules and regulations. Sun Scientific does not guarantee coverage or payment for the products listed herein or the accuracy of the HCPCS codes.
